between the Central Bank, NEDA, GSIS, SSS, PNB
and DBP establishing the DAP as a joint project

DAP as NPO

The establishment of Centers of Excellence is a key strategy adopted by the Asian Productivity Organization (APO) to propagate best practices and further strengthen national productivity organization in areas where they possess unique strengths and expertise.

DAP as NPO

Among others, the Center of Excellence (COE) in Public Sector Productivity (PSP) aims to:

A. Assist APO in advancing the public sector productivity movement in the Asia and the Pacific region

B. Help address common and critical issues on public sector productivity performance besetting the APO member countries

C. Foster cutting-edge research, facilitate training and knowledge-sharing, and support outreach to APO member countries in raising productivity of the public sector organizations in the region

D. Serve as hub of a web of collaborators on innovation and productivity in the public sector
